

## 2016 50 or 100 Mile Hiking Challenge

2016 marks the 50th Anniversary of Pictured Rocks National Lakeshore and the Centennial of the National Park Service. We are kicking off the celebration by launching the Hike-A-Hundred or Hike-Fifty Challenge. Anyone who hikes 50 or 100 miles in the park during the summer season of 2016 will be eligible for a special prize.

Record your hikes here. Every time you go out on a trail, keep track of those miles. They will add up fast! Your miles can include everything from short nature trails to the longer backcountry trails (<a href="www.nps.gov/piro">www.nps.gov/piro</a>). You may hike the same trail repeatedly or different trails. The goal is to inspire you to get out and explore and enjoy the park.

Date	Trail Name	Miles	Total to date

## ALWAYS THINK ABOUT SAFETY.

Check the weather before heading out.

Be careful on windy days.

Stay back from cliff edges.

Hikes / miles must be completed by October 16, 2016.

Once you've logged 50 or 100 miles, let us know. Send us a copy of your form by October 31, 2016; we will be sending prizes out in November.
